- M.A. in Education, Michigan State University, expected August 2020.
 - ◇ Concentration in Science and Mathematics Teaching
- B.A. in Professional Writing, Michigan State University, graduated May 2017.
 - ◇ Minor in Environmental and Sustainability Studies

WORKSHOPS

- Detroit Zoological Society Humane Education Workshop
- Detroit Zoological Society Center for Zoo Animal Welfare Workshop
- San Antonio Zoo Animal Training Workshop

EXPERIENCE

- Guest Programs Supervisor – John Ball Zoo, March 2019-present.
 - ◇ Train and supervise seasonal education staff to teach concepts of animal biology, sustainability and conservation, animal welfare, and more to audiences of all ages and demographics
 - ◇ Guide behind the scenes guest experiences (ex. penguin feeding and red panda encounter)
 - ◇ Create educational resources for staff, such as species fact sheets and educational games
- Lead Zoo Guide – John Ball Zoo, March-December 2018.
 - ◇ Facilitate zoo's interactive exhibits, ensuring guest and animal well-being
 - ◇ Interpret "Daily Animal Programs" such as feedings, training, and enrichments
- Animal Care Volunteer – John Ball Zoo, January 2019-present.
 - ◇ Perform routine husbandry tasks including cleaning, diet prep, enrichment, etc. for numerous species such as chimpanzees, various herps, small mammals, and goats
- Education Docent – Potter Park Zoo, April 2018-present.
 - ◇ Enact various educational programs in and out of the zoo using biofacts and ambassador animals
 - ◇ Lead guided tours throughout the zoo with specialized themes (ex. What's for Lunch?)
- Big 5 Research & Youth Empowerment – African Impact, February 2018.
 - ◇ Collect and analyze data on rhinos, elephants, leopards, buffalo, and lions in the Kruger Area
 - ◇ Actively engage in community projects such as gardening, Reading Club, animal care, and more
- Experience Facilitator – John Ball Zoo, August-December 2017.
 - ◇ Assist with zoo experiences such as budgie feedings, bird show, camel rides, and funicular rides
 - ◇ Engage guests in a positive directive to ensure safety, comfort, and enjoyment
- Education Intern – Binder Park Zoo, May-August 2016.
 - ◇ Facilitate various education programs, such as overnights, outreaches, camps, etc.
 - ◇ Create several flyers and brochures advertising zoo programs to students and educators
